Nature and Scope of Advice

Wealth Protection Specialists Limited provides advice to clients about their **Life Insurance, Health Insurance, Business Insurance, Employee Insurance, ACC restructuring, KiwiSaver and Investment Advice**.

We only provide financial advice about products from certain providers:

Life Insurance: AIA, Asteron Life, Chubb Life, Fidelity Life, nib & Partners Life.

Health Insurance: AIA, nib and Partners Life.

KiwiSaver: ANZ/OneAnswer, Milford, Booster and NZ Funds.

Unlocked Investments and Savings: ANZ/OneAnswer, Booster and NZ Funds.

Fees and Expenses

Wealth Protection Specialists are generally remunerated by the providers of the products we recommend; however, there are some instances where we may charge a fee for a particular service.

Formulating and implementing an insurance or investment plan can take considerable time and Wealth Protection Specialists reserves the right to charge a **one-off Advice Fee of up to \$500 to compensate** for this time. Generally, the commission paid by the providers is sufficient to cover this charge; however, where you do not proceed with recommendations, we may charge you directly. You will be invoiced for the fee and this will be payable within 7 days of the invoice date.

There may also be occasions where we carry out work over and above the normal advice and implementation process, which is not sufficiently covered by the product provider's commissions. One such example would be if we undertake an ACC review. Another instance is if you would like investment advice regarding a suitable fund for a savings objective (outside of KiwiSaver). In such instances, we will charge a one-off fee.

For insurance and ACC, the fee is based on an **hourly rate of \$200 plus GST**, and we will provide you with an estimated total cost before any work is completed. We will only start work once we have your authority to do so. You will be invoiced for the total cost, and this will be payable within 7 days of the invoice date.

For investment advice (outside of KiwiSaver), the charge is \$350 plus GST which covers the cost of the Statement of Advice. This fee can be deducted from the sum you wish to invest or if you prefer, you can pay this separately. You will be invoiced for the total cost, and this will be payable within 7 days of the invoice date.

Conflicts of Interest

For Insurance, KiwiSaver and Investment Services, Wealth Protection Specialists Limited will be paid a commission from the product provider if you decide to take out the products that we recommend. The amount of the commission is based on the value of the insurance premium or investment balance. Specific commission percentages will be disclosed when recommendations are provided.

Being remunerated by way of commission creates a potential conflict of interest for us particularly if you have an existing solution that we recommend is replaced. To ensure that our financial advisers prioritise the client's interests above their own, we follow an advice process that ensures our personalised recommendations are made based on the client's goals and circumstances.

Our Financial advisers complete regular training, which includes how to manage conflicts of interest. We also undertake a compliance audit and a review of our compliance programme by a reputable adviser compliance company.
